

Dear Padithala Reethika,
Greetings!

Further to the interaction our team had with you, we are excited to inform that you have been selected as an Intern at Centella. The selected two teams from GRIET will be onboarded in to the system on Wednesday and Thursday (31-03-2021 & 01-04-2021) respectively. Over the next 6-8 months, you will have the opportunity to contribute to meaningful projects that impact diverse disease therapeutics and science in large.

At Centella, we care about giving our interns everything they need to perform their best. We've planned your first days to help you settle in properly. You will be exposed to on-job trainings and workshops during your tenure at Centella.

As part of the internship, you will get to benefit with the following...

1. Working with interdisciplinary teams
2. Certificate of Internship
3. Letter of Recommendation
4. Build profile for higher studies/ Corporate readiness
5. Exciting goodies (end of the tenure)
6. Potential scope for publication

As we embark on this new journey, we are looking forward to working with you and seeing you achieve great things. Enjoy your time with Centella and make every moment count.

Best regards,
Dr.Riyaz Syed
Founder & Chief Scientific Officer
Centella
