<b>Summary of the Event</b>	<p>The Indian Society For Technical Education (<b>ISTE</b>) of GRIET came up with yet another interesting event “CHARACTER-ISTIC” during the lockdown .With the extension of the lockdown and emphasis on social distancing rules increasing, many students have shifted to reading lot of books, watch many movies and are getting more creative with this quarantine; ISTE has come up with a 5-day literary event so that it is well-suited for all students to take part in it.</p> <p>The main idea to organize such an event is to encourage more students to unleash their favourite characters from whom they’ve been immensely inspired and have created a deep niche in their heart. The 5-day event comprised of 5 genres ,</p>				

	<p>each a day starting from 17<sup>th</sup> July to 21<sup>st</sup> July .All the participant has to do was to send an eye-gripping ,creative image/video of their character and mention us the impact they've had upon them ,their similarities to that character and other facts that moved them .</p> <p>Every morning at 8:00am a new genre was released along with an example post on the Instagram page (<b>istegrietsb</b>), so that it would be easy for the participant to navigate through. The winner will be declared at the end of the contest.</p>
